Subject Index for Volume 23

A

Abortion, induced, chemotherapy for, 359
Activity restrictions, in hospitalized patients with vascular access devices, 225
Allergic disorders, IV immunoglobulin for, 5S14
Alternate site ambulatory infusion programs, 5S32
Alternate site laboratory testing, 112
Ambulatory infusion programs, 5S32
Analgesic ladder, World Health Organization, 118
Anemia, pathophysiology of, 271
Anesthetics, for IV therapy, 213
Anxiety, management of, 213
Arterial lines, activity restrictions with, 225
Arthritis, rheumatoid, chemotherapy for, 359
Aseptic techniques
  in Japan versus United States, 170
  for pediatric parenteral nutrition, 1-hour training program for, 154
Autoimmune disorders, chemotherapy for, 359
Autoimmunity, immunotherapy and, 5S8

B

Blood sample collection, from peripheral catheter versus phlebotomy, 290
Blood transfusions
  in hemophilia, 282, 304
  nurses' knowledge and practice of, in Turkey, 310
Burns, fluid resuscitation in, 81

C

Cancer chemotherapy. *See* Chemotherapy
Cannulation. *See* Catheterization
Cardiac catheters, activity restrictions with, 225
Cardiac pacing devices, activity restrictions with, 225
Cardiomyopathy, peripherally inserted central catheter placement in, 366
Catheter(s). *See also* Catheterization
  activity restrictions with, 225
  central venous
    monitoring of, 35
    peripherally inserted
      in cardiomyopathy, 366
      microintroducer technique for, 345
  peripheral IV, blood sampling from, versus from phlebotomy, 290
  silicone, fracture of, causes and prevention of, 89
  Teflon versus Vialon, phlebitis rate with, 158
Catheterization
  activity restrictions with, 225
  peripheral IV
    local complications of, 167, 229
    monitoring in, 35
    neonatal, continuous infusion versus intermittent flushing in, 146
    ultrasound-guided, 29, 343
Catheter-related infections
  in pediatric parenteral nutrition, prevention of, 1-hour training program for, 154
  prevention of, in Japan versus United States, 170
Central venous catheters
  activity restrictions with, 225
  monitoring of, 35
  peripherally inserted
    in cardiomyopathy, 366
    microintroducer technique for, 345
Certification
  in competency-based practice, 21
  CRNI Certification Examination, review questions for, 269
Chemotherapy
  administration of, cellular effects of, 44
  cellular effects of, 44
  extravasation in, due to port failure, 176
  for nonmalignant disease, 359
Children. *See also* Neonate
  parenteral nutrition in, aseptic techniques for, 1-hour training program for, 154
  premedication for, 213
  trauma in, fluid resuscitation in, 81
Coagulation factors, for hemophilia, 282
Competency-based practice, certification and credentialing in, 21
Conscious sedation, 213
Continuous infusion, versus intermittent flushing, in neonatal peripheral IV catheterization, 146
Cost factors, in IV immunoglobulin therapy, 5S23
Credentialing, in competency-based practice, 21
CRNI Certification Examination, review questions for, 269
Cryoprecipitate, for hemophilia, 282
Cytotoxic drugs
  administration of, cellular effects of, 44

extravasation of, due to port failure, 176
for nonmalignant disease, 359

D

Data collection, in vascular access device monitoring, 35
Dressing technique, for prevention of silicone catheter fracture, 89
Drug-dependent neonate, identification and care of, 105
Drugs
cytotoxic
administration of, cellular effects of, 44
cellular effects of, 44
extravasation of, due to port failure, 176
for nonmalignant disease, 359
extravasation of
due to port failure, 176
in peripheral IV catheterization, 167
infiltration of, 229
paravasal injection of, 167

E

Economic aspects, of IV immunoglobulin therapy, 5S23
Ectopic pregnancy, chemotherapy for, 359
Editorials, 9, 71, 143, 193, 265, 5S3, 333
Ethical issues
case studies of, 371
in total parenteral nutrition, 52
Extravasation
of 5-fluorouracil, due to port failure, 176
in peripheral IV catheterization, 167

F

Factor concentrates, for hemophilia, 282
client administration of, 282, 304
Financial factors, in IV immunoglobulin therapy, 5S23
Fluid resuscitation, in trauma, 81
5-fluorouracil, extravasation of, due to port failure, 176

G

Gestational trophoblastic disease, chemotherapy for, 359

H

Hematoma, subcutaneous, peripheral vein interventions and, 167
Hematopoiesis, 298
Hemophilia, management of, 282
client training in, 304
Home care, in hemophilia, 282, 304
Home infusion therapy, JCAHO "Improving Organizational Performance" standards for, 352
Hypertonic solutions, 220
Hypotonic solutions, 220
Hypovolemic shock, fluid resuscitation for, 81

I

Immunodeficiency, IV immunoglobulin for, 5S14
Immunoglobulin. *See* Intravenous immunoglobulin
Immunotherapy, autoimmunity and, 5S8
"Improving Organizational Performance" standards, for home infusion therapy, 352
Infections
catheter-related, prevention of, in Japan versus United States, 170
prevention of, in pediatric parenteral nutrition, 1-hour training program for, 154
Infiltration, 229
Infusion Nursing Standards of Practice, 6S
Intermittent flushing, versus continuous infusion, in neonatal peripheral IV catheterization, 146
Intravenous immunoglobulin
administration of, 5S23
clinical management of, 5S23
clinical uses of, 5S14
costs of, 5S23
for immunodeficiency and allergic disorders, 5S14
office- and clinic-based ambulatory programs for, 5S32
overview of, 5S8
production of, pathogen safety in, 5S14
Intravenous Nurses Society
annual meeting of
chief executive's report, 206
presidential address, 202
state of the society address, 197
Infusion Nursing Standards of Practice, 6S
1999 annual report, 239
Intravenous therapy. *See also* Catheterization
in Japan versus United States, 170
local complications of, 167, 229
office- and clinic-based ambulatory programs for, 5S32
premedication for, 213
protocols for, design of and compliance with, 232
Isotonic solutions, 220

J

Japan, intravenous therapy in, 170
Joint Commission on Accreditation of Healthcare Organizations, "Improving Organizational Performance" standards for home infusion therapy, 352

L

Laboratory testing, at alternate sites, 112
Local anesthesia, for IV therapy, 213
Lyme disease, treatment of, controversies in, 15

M

Medications. *See* Drugs
Microintroducer technique, for peripherally inserted central catheters, 345
Monitoring, of vascular access devices, 35
Multiple sclerosis, chemotherapy for, 359

N

Neonate
peripheral IV catheterization in, continuous infusion versus intermittent flushing in, 146
substance-dependent, identification and care of, 105
New products and services, 58, 125, 181, 249, 319, 378
Nutrition, parenteral
ethical issues in, 52
pediatric, aseptic techniques for, 1-hour training program for, 154

O

Osmotic shift, 220

P

Pacing devices, activity restrictions with, 225
Pain management
for IV therapy, premedication in, 213
World Health Organization analgesic ladder for, 118

Paravasal drug injection, 167
Parenteral nutrition
ethical issues in, 52
pediatric, aseptic techniques for, 1-hour training program for, 154
Pediatric patients. *See also* Neonate
parenteral nutrition in, aseptic techniques for, 1-hour training program for, 154
premedication for, 213
trauma in, fluid resuscitation in, 81
Perfusionist, role of, 99
Peripheral IV catheter, blood sampling from, versus from phlebotomy, 290
Peripheral IV catheterization
activity restrictions with, 225
local complications of, 167, 229
monitoring of, 35
neonatal, continuous infusion versus intermittent flushing in, 146
ultrasound-guided, 29
Peripherally inserted central catheters in cardiomyopathy patients, 366
microintroducer technique for, 345
Peripheral veins, interventions on, local complications of, 167, 229
Phlebitis
superficial, treatment-related, 167
with Teflon versus Vialon catheters, 158
Phlebotomy, blood sampling from, versus from peripheral venous catheter, 290
Physician office–based infusion programs, 5S32
Plasma derived products, production of, pathogen safety in, 5S14
Plasmapheresis, 5S8
activity restrictions with, 225
Point-of-care testing, 112
Port failure, 5-fluorouracil extravasation and, 176
Pregnancy
ectopic, chemotherapy for, 359
induced abortion in, chemotherapy for, 359
Premedication, for IV therapy, 213
Professional ethics
case studies of, 371
in total parenteral nutrition, 52
Protocols, for IV therapy, design of and compliance with, 232
Psoriasis, chemotherapy for, 359

R

Reimbursement, for IV immunoglobulin therapy, 5S23
Resuscitation, fluid, in trauma, 81
Rheumatoid arthritis, chemotherapy for, 359

S

Shock, fluid resuscitation in, 81
Silicone catheter, fracture of, causes and prevention of, 89
Solutions, tonicity of, 220
Stem cell transplantation, 298
Subcutaneous hematoma, peripheral vein interventions and, 167
Substance-dependent neonate, identification and care of, 105
Systemic lupus erythematosus, chemotherapy for, 359

T

Teflon catheters, phlebitis rate with, versus with Vialon catheters, 158
Therapeutic abortion, chemotherapy for, 359
Thrombophlebitis. *See* Phlebitis
Topical anesthesia, for IV therapy, 213
Total parenteral nutrition
ethical issues in, 52
pediatric, aseptic techniques for, 1-hour training program for, 154
Tracking, of vascular access devices, 35
Transfusions
in hemophilia, 282, 304
nurses' knowledge and practice of, in Turkey, 310
Transplantation, stem cell, 298
Trauma, fluid resuscitation in, 81
Turkey, blood transfusion knowledge and practice in, 310

U

Ultrasonography, in peripheral IV catheterization, 29

V

Vascular access devices. *See also* Catheter(s)
activity restrictions with, 225
monitoring of, 35
Vasculitis, chemotherapy for, 359
Veins, treatment-related injuries of, 167
Venipuncture
local complications of, 167, 229
premedication for, 213
Von Willebrand disease, management of, 282

W

World Health Organization analgesic ladder, 118

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION (Act of August 12, 1970; Section 3685; Title 39 United States Code) Date of Filing—October 1, 2000. Title of Publication—Journal of Intravenous Nursing; Frequency of Issue—Bimonthly; Annual Subscription Price—$111.00; Location of Known Office of Publication—Lippincott Williams & Wilkins, Inc., 16522 Hunters Green Parkway, Hagerstown, MD 21740-2116; Location of the Headquarters or General Business Offices of the Publisher—Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Publisher—Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Editor—Mary Alexander, Editor, Intravenous Nurses Society, Fresh Pond Square, 10 Fawcett Street, Cambridge, MA 02138; Managing Editor—Karyn Crislip, Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Owner—Intravenous Nurses Society, Fresh Pond Square, 10 Fawcett Street, Cambridge, MA 02138; Known Bond Holders, Mortgagees, and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages, or other securities—None. A. Total no. of copies printed (net press run), average 9,047, actual 8,200. B. Paid and/or requested circulation, 1. Paid/requested outside-county mail subscriptions stated on form 3541, average 7,218, actual 6,890; 2. Paid in-county subscriptions, N/A; 3. Sales through dealers and carriers, street vendors, counter sales, and other non-USPS paid distribution, N/A; 4. Other classes mailed through the USPS, N/A. C. Total paid and/or requested circulation [sum of B (1), (2), (3), and (4)], average 7,218, actual 6,890. D. Free distribution by mail (samples, complimentary, and other free), 1. Outside-county as stated on form 3541, average 368, actual 379; 2. In-county as stated on form 3541, N/A; 3. Other classes mailed through the USPS, N/A. E. Free distribution outside the mail (carriers or other means), N/A. F. Total free distribution (sum of D and E), average 368, actual 379. G. Total distribution (sum of C and F), average 7,586, actual 7,269. H. Copies not distributed, average 1,461, actual 931. I. Total (sum of G and H), average 9,047, actual 8,200. J. Percent paid and/or requested circulation, average 95%, actual 95%. I certify that the statements made by me above are correct and complete. *Michael Wells, Manager, Periodicals Operations.*
